

# Waste In Place Registration Form

Where: Cedar Park Police Department  
911 Quest Blvd.  
Cedar Park, Texas

When: Saturday- October 16, 2010

Time: 10:00 a.m. - 4:00 p.m.

*Waste In Place* includes 23 lesson plans which teach students about preventing litter, recycling, and methods to manage trash. Lessons encourage critical thinking and process science skills. Each lesson has a defined objective and a list of materials needed.

- *Workshop has a 92% approval rating from participants*
- *Workstations take participants through "hands-on" lesson plan activities*
- *Lessons can be integrated into all subjects*
- *Qualifies for Continuing Education Units (State Board of Educator Certification approved) and six (6) hours of credit toward environmental certification (Texas Environmental Education Advisory Committee credit)*

There is a **\$35 charge for materials** that must be paid at the time of registration.
